El Presidente Municipal preguntó si hubiera algún comentario. Hizo uso de la voz el **Regidor Santiago Chávez Chávez** quien manifiesta... En la previa, manifesté que le reconozco el trabajo de la Directora de Catastro quien hizo el comentario y es importante, y decirles que no hay incremento en las tarifas, en las tablas de valores simplemente es una actualización de las colonias y algunas colonias que no estaban se incluyen dentro de estas tablas de valores, es un concepto hacendario que si no se aclara al principio creemos que es para incrementar los cobros del predial que se basan en el valor catastral y así mismo los permisos que muchos de ellos oscilan alrededor de catastro, es un comentario que quiero hacer, y si reconocerle a la Directora nuevamente el que nos hubiera aclarado y aquí mismo vale la pena también hacer la aclaración prácticamente es para la actualización de colonias que no estaban dentro de los diferentes polígonos del municipio de Tecomán.

No habiendo, instruyó al **Secretario del Ayuntamiento** reciba la votación, atendiendo la instrucción el Mtro. Humberto Uribe Godínez, sometió a la consideración la Propuesta que presenta el Presidente Municipal, como seguimiento a la solicitud que remite la Directora de Catastro, respecto a las tablas generales de valores unitarios de terreno y de construcción del municipio de nuestra jurisdicción, que sirva de base para el cobro de las construcciones sobre la propiedad inmobiliaria, la cual deberá enviarse al H. Congreso del Estado para su aprobación. **Informando que resultó aprobado por MAYORIA de votos, con 10 votos a favor y una abstención de la Síndico Municipal.** - - - - -
